

CURRICULUM VITAE

Personal Data

Name: Jan De Bruyne
Nationality: Belgian

Work Experience

- November 2020-/:
Research Expert (Tort) Law and AI, KU Leuven Centre for IT & IP Law
Senior Academic Researcher, Flemish Knowledge Centre for Data & Society
→ Research on legal aspects of AI and data (i.e. liability, contracting, GDPR, consumer protection, sports, governance,...)
→ Attracting external research funding
→ Ph.D. and thesis supervision
→ Participating/organising conferences, workshops,...
→ Managing team of researchers (cluster AI & Data)
- February 2022-/:
Assistant professor Digital Law, eLaw, Leiden University (20%)
- January 2022-/:
Maître de conference, University of Liege (module AI)
- October 2020-/:
Scientific Collaborator
Department of Interdisciplinary Study of Law, Private Law and Business Law,
Faculty of Law and Criminology, Ghent University
- October 2019-/:
Lecturer electronic contracts law, KU Leuven LLM IT & IP Law
- October 2019 –
October 2020
Postdoctoral Researcher, KU Leuven Centre for IT & IP Law (CiTiP)
Senior academic researcher, Flemish Knowledge Centre for Data & Society
→ Research on legal and ethical aspects AI
→ Participating/organising conferences, workshops,...
- October 2018 –
October 2020:
Post-Doctoral Researcher
Department of Interdisciplinary Study of Law, Private Law and Business Law,
Faculty of Law and Criminology, Ghent University
→ Comparative legal research on AI and liability
→ Teaching activities:
 - evaluating and supervising Dissertations (1st and 2nd Master) and Juridisch Schrijven/Bachelor Papers (3rd Bachelor)

- responsible for sessions on comparative law (focus on comparative and tort law), research methodology and presentation skills in 'Praktische Vaardigheden IV' (1st Master)
- responsible for module on academic legal research (3rd Bachelor)

October 2012 –
October 2018

Academic Assistant Comparative and Private Law
Department of Interdisciplinary Study of Law, Private Law and Business Law,
Faculty of Law and Criminology, Ghent University

→ Ph.D.: "Third-Party Certifiers – An Inquiry into their Obligations and Liability in Search of Legal Mechanisms to Increase the Accuracy and Reliability of Certification" (public defence September 14, 2018).

→ Teaching activities:

- assisting students and evaluating Dissertations (1st and 2nd Master) and Juridisch Schrijven/Bachelor Papers tort law (3rd Bachelor)
- responsible for sessions on comparative law (focus on maritime, comparative and tort law), research methodology and presentation skills in 'Praktische Vaardigheden IV' (1st Master)
- correcting exams and answering questions from students in modules 'Rechtsvergelijking' (Comparative Law) (1st Master) and 'Schadevergoedingsrecht' (Tort Law) (3rd Bachelor)
- responsible for general sessions on foreign legal databases and drafting a research proposal (1st Master, 2014-2016)

April 2013 – April 2016:

Self-Employed Legal Consultant (JDB Legal Consulting)

→ Consultancy services for companies and law offices on EU, commercial, private and comparative law

→ Translating documents (English, Dutch and French)

→ Contract reviews

Education

July 2012: Master Law (*magna cum laude*)
University of Nottingham (1st Master); University of Ghent (2nd Master)
Specialisation: tort and EU Law

July 2008: Master Political Sciences (*cum laude*)
University of Ghent
Specialisation: studies of the European Union

2001-2004: Modern Languages and Mathematics
Koninklijk Atheneum Malle

1997-2001: Lycée Français Alexandre Yersin
Hanoi, Vietnam

Knowledge of Languages

Dutch: native speaker
English: excellent in reading, writing, speaking and understanding
French: very good in reading, writing, speaking and understanding
German: good in reading/understanding, basic in writing/speaking

Research Stays

| | |
|------------------------|---|
| March 2020: | Visiting Research Fellow, TC Beirne School of Law (Brisbane), Queensland |
| June 2019: | Visiting Researcher Faculty of Law Uppsala, Sweden (U4 Network) |
| October-November 2018: | Van Calker Fellow, Swiss Institute Comparative Law, Lausanne |
| May 2017: | Visiting Researcher Swiss Institute Comparative Law, Lausanne |
| October-December 2015: | Visiting Fellow Centre for European Legal Studies, University of Cambridge (under sponsorship of prof. E. Ferran) |
| November 2014: | Visiting Fellow Institute of European & Comparative Law, University of Oxford (under sponsorship of prof. S. Vogenauer) |
| December 2013: | Visiting Researcher Georg-August Universität Göttingen |

Policy Work

| | |
|------------------|--|
| July 2022: | EWI Klankbordgroep AI Act (Flemish Government) |
| April-June 2021: | UNESCO AI Belgian representative (intergovernmental process) |

Conferences/Panels/Workshops

Speaker

| | |
|-------------|--|
| 20-09-2022: | "Extra-contractual liability and AI", Training Seminar II on A.I., Criminal Justice and Human Rights, Siracusa |
| 16-09-2022: | 'Regulering van AI en buitencontractuele aansprakelijkheid', ICAV congres, Antwerp |
| 13-09-2022: | 'Liability in highly automated environment,' Summer School AI, Leuven |
| 5-07-2022: | "Extra-contractual liability and AI", Training Seminar on A.I., Criminal Justice and Human Rights, Siracusa |
| 21-06-2022: | "Legal personality for AI in the context of liability", Workshop on Artificial Personhood in the 21 Century, Philosophical, Legal, and Political Perspectives, Uppsala |
| 7-06-2022: | Panel discussion on AI in Flanders, Flanders AI Forum |
| 2-06-2022: | "Some challenges in tort law and AI", AIDA Doctoral Schools |
| 11-03-2022: | "Actuele ontwikkelingen op het vlak van aansprakelijkheid en AI", KU Leuven VRG-Alumnidag |
| 10-03-2022: | "Who pays the bill when AI Causes Damage," AI Café, AI4MEDIA |
| 01-02-2022: | "Setting the Scene", Conference Is Belgian Fit for Digital Age, FPS Economy |
| 14-12-2021: | "AI en UNESCO Aanbeveling", UNESCO Flanders Trefdag (on AI) |
| 28-10-2021: | "Aansprakelijkheid voor het gebruik van zelfrijdende wagens", Studiedag juridische en maatschappelijke aspecten van autonome voertuigen |

- 03-09-2021: "Integrating Science and Technology into the Sports Field: A Sociological Analysis of Flemish Sports Innovation", 15th ESA Conference 2021 (with M. Van Oudheusden and others)
- 1-09-2021: "Trustworthiness for Industrial AI", IoT Week 2021 (online)
- 29-06-2021: "AI and Liability", Summer School on the Law, Ethics & Policy of Artificial Intelligence, KU Leuven
- 11-06-2021: Panel Discussion EU Legal Interoperability BLSI June Virtual Breakfast, A brave new world: Discussion on digital-ready law-making & ethics
- 27-05-2021: "Regulating AI in the European Union – Some Legal, Societal and Ethical Considerations", EU Agencies cooperation on Artificial Intelligence
- 17-05-2021: "De regulering van AI in België en in de EU", Lexpert Online Campus

- 02-12-2014: "The Many Challenges in Regulating the Liability of Credit Rating Agencies - A Comparative Analysis of the Innovative Regulatory Framework & Tendencies in Case Law", 2nd Annual Edinburgh Postgraduate Law Conference

- 26-11-2014: “De THV en buitenlandse deelgenoten. De THV en het IPR” (Joint Ventures and Private International Law), Studiedag M&D Seminars, Tijdelijke handelsvennootschappen in de bouw (Sint Niklaas)
- 09-10-2014: “IPR en de aansprakelijkheid van classificatiemaatschappijen” (liability of classification societies and private international law), T.M.C. Asser Instituut (Center of International and European Law), Lunch & Learn voor IPR-promovendi
- 09-09-2014: “De aansprakelijkheid van certificeringsdiensten ten aanzien van derden” (third-party liability of certifiers), Interuniversitair Centrum voor Aansprakelijkheid- en verzekeringsrecht, Seminarie Doctorandi II
- 11-06-2014: “Certifiers in Maritime Law and in Capital Markets. Similar Solutions for Identical Problems?”, Università di Bologna & Rotterdam Institute for Shipping & Transport Law, Seminar Maritime & Transport Law
- 23-05-2014: “Policy Considerations and the Liability of Certifiers from an EU Perspective”, Ghent University Faculty of Law and Criminology, Third ACCA Conference “Policy Within and Through Law”
- 04-04-2014: “An EU Perspective on the Liability of Classification Societies. Selected Current Issues and Private International Law Aspects”, London Universities Maritime Law and Policy Research Group, The Fifth Maritime Law & Policy International Postgraduate Research Conference

➤ **Moderator**

- 30-05-2022: “AI and Standardisation”, RAILS – CITIP – KCDS Conference
- 19-04-2022: DataDate Legal Tech, Knowledge Centre Data & Society
- 05-05-2021: “Artificial Intelligence and the Law”, KU Leuven Centre for IT & IP Law
- 09-02-2021: Book Launch “Artificiële intelligentie en Maatschappij”, de Krook, Ghent
- 18-02-2020: Panel “Accountability and transparency in the Risk Society: risks, responsibility and forensics in AI settings of diffuse control”, LAILEC 2020, Leuven

➤ **Organiser**

- 30-05-2022: “AI and Standardisation”, RAILS – CITIP – KCDS Conference
- 29-10-2021: “Juridische en maatschappelijke aspecten van zelfrijdende auto’s: waar staan we en wat brengt de toekomst?”, KU Leuven CITIP – CVGR Universiteit Gent
- 05-05-2021: “Artificial Intelligence and the Law”, KU Leuven Centre for IT & IP Law
- 23-05-2014: Third ACCA Conference “Policy Within and Through Law”, Ghent University Faculty of Law and Criminology

Projects (legal lead/coordination)

- DSSC (granted): Data Support Service Centre (DIGITAL-2021-CLOUD-AI-01)

| | |
|---------------------------------|---|
| WASABI (granted): | White-label shop for digital intelligent assistance and human-AI collaboration in manufacturing; H2020 (TWIN-TRANSITION-01-06 - ICT Innovation for Manufacturing Sustainability in SMEs (I4MS2)) |
| DBD (rejected): | Diversity by Design focusing on AI and content moderation in social media-mediated democracies (HORIZON-CL2-2022-DEMOCRACY-01-0) |
| AI4Europe (ongoing): | An AI On-Demand Platform to support research excellence in Europe (HORIZON-CL4-2021-HUMAN-01-02) |
| SOLIDLAB (ongoing): | Project supported by the Flemish government that investigates how the use of personal data pods can be facilitated |
| TCS (rejected) | Trust in Complex Services (Doctoral Networks (DN) Call: HORIZON-MSCA-DN-2021) |
| RAMOS (rejected) | Reference Architecture of Meta Operating System enabling Edge Intelligence for IoT-driven Applications, H2020 (CL4-DATA) |
| IDEALAB Sport and AI (ongoing): | Project funded by KU Leuven: interdisciplinary group of researchers working on legal, ethical, technological and societal aspects of AI in sports |
| CoMMoDore (ongoing): | IMEC-ICON project 'Concrete Strength Monitoring System': evaluates the legal framework in which a certified AI-based solution can be deployed and especially assess its impact on the allocation of liabilities in the building construction industry |
| ETAMI (ongoing): | Ethical and Trustworthy Artificial and Machine Intelligence: Providing legal input regarding AI to consortium partners |

Membership Commissions, Institutes & Editorial Board

| | |
|-----------------|---|
| November 2021: | Member KU Leuven iCERIS (Interdisciplinary Centre for Ethics, Regulation and Integrity in Sport) |
| September 2021: | Member of the Board Robotics and AI Legal Society (RAILS) |
| October 2021: | Member Leuven Institute of Mobility (LIM) |
| June 2020-/: | Member Leuven.AI |
| 2012-/: | Member Centre of the Law of Obligations, Faculty of Law and Criminology, University of Ghent |
| 2013-/: | Member ICAV (Interuniversitair Centrum voor Aansprakelijkheids- en Verzekeringsrecht) |
| 2014-/: | Member Editorial Board International Transport Law Review |
| 2018-2019: | Member Education Commission (Representative of the Assistant Academic Staff), Faculty of Law and Criminology, University of Ghent |
| 2016: | Member European Commission GEAR 2030 High Level Working Group |
| 2014-2016: | Member Faculty Council (Representative of the Assistant Academic Staff), Faculty of Law and Criminology, University of Ghent |

| | |
|------------|---|
| 2013-2014: | Member Environmental Commission, Faculty of Law and Criminology, University of Ghent |
| 2013-2014: | Member Curriculum Commission, Faculty of Law and Criminology, University of Ghent |
| 2012-2014: | Member Commission Acceptance of Foreign Students, Faculty of Law and Criminology, University of Ghent |

Other Accomplishments/Activities

➤ Awards & Scholarships

| | |
|--------------------------|--|
| October – December 2018: | van Calker scholar (Swiss Institute of Comparative Law Lausanne) |
| 2010: | Laureate Thorbecke Moot Court Competition (between Ghent Faculty of Law and Criminology and the Law School Leiden) |

➤ Member Supervisory Board Doctoral Research

| |
|--|
| Koen Vranckaert, KU Leuven CiTiP (KINAITICS) |
| Michiel Fierens, KU Leuven CiTiP (SolidLab Vlaanderen) |
| Orian Dheu, KU Leuven CiTiP (Liability of autonomous vehicles; Safer Autonomous Vehicles, Marie-Curie) |
| Benjamin Jan, ULiège (use of artificial intelligence within the EU integrated administrations) |

➤ Guest Lectures

| | |
|-------------|---|
| 13-10-2022: | ‘Tort Law and AI’ (within AI Business Module, KU Leuven Campus Bruges) |
| 12-05-2022: | “Liability and Human Rights” (within module Technology & Human Rights, eLaw) |
| 28-04-2022: | “AI and liability – case study: Automated driving” (within course AI Ethics & Regulation) |
| 24-03-2022: | “De regulering van artificiële intelligentie. Een stand van zaken en enkele aandachtspunten inzake buitencontractuele aansprakelijkheid” (within module Technologie en Recht, Faculteit Rechtsgeleerdheid, KU Leuven) |
| 18-03-2022: | “Regulating AI: Liability as Case study” (within course Technology and Society: Values and Norms, eLaw) |
| 14-01-2022: | “Liability and AI”, Brussels School of Competition |
| 11-05-2021: | “Legal and ethical aspects of AI in sports” (within course Ethical and Legal Aspects of Sports, KU Leuven) |
| 01-04-2021: | “Tort Liability and AI” (within course AI Ethics and Regulation, KU Leuven) |
| 02-05-2020: | “Aansprakelijkheid voor schade veroorzaakt door autonome motorvoertuigen” (within module Technologie en Recht, Faculteit Rechtsgeleerdheid, KU Leuven). |
| 18-10-2019: | “Liability for Damage Caused by AI – The Case of Self-Driving Cars”, Uppsala Law School |

- 16-05-2019: "Aansprakelijkheid voor schade veroorzaakt door autonome motorvoertuigen" (module: Technologie en Recht, Faculteit Rechtsgeleerdheid, KU Leuven).
- 11-10-2014: Online databases and comparative legal research (session on research skills for students in 1st Master of Law organised by the Faculty of Law and Criminology, University of Ghent)
- 08-10-2014: Research proposals in law (session on research skills for students in 1st Master of Law organised by the Faculty of Law and Criminology, University of Ghent)
- 08-11-2013: The use of online legal databases (1st Master of Law, Module Comparative Law, Faculty of Law and Criminology, University of Ghent)

➤ Specialised Courses

- September-October 2020: Introduction to ethics (and technology), KU Leuven CiTIP
- December 2018: Negotiation skills, University of Ghent, Doctoral School of Arts, Humanities and Law (for post-doctoral researchers)
- February 2014: Winter School Methodology of Legal Research, University of Ghent, Doctoral School of Arts, Humanities and Law
- December 2013: Master Class for Ph.D.-students, Faculty of Law and Criminology, University of Ghent
- 2012-2014: German (PCVO Ghent, level A2-B1)
- 2013: Advanced Academic English Writing skills
- 2009: English for Law Students

➤ Internships

- June 2012: Offer internship European Commission, DG Transport (Maritime Safety Unit)
- 2008-2012: Regular employee Europe Direct Antwerp (advising on EU matters and comparative law)
- July 2011: Summer intern Ahlers Antwerp (drafting commercial contracts)
- August 2011: Summer intern Kegels & Co Antwerp (research on maritime law)
