

THARINA GUSE

Department of Psychology
Faculty of Humanities
University of Pretoria
Pretoria 0028
South Africa

EDUCATION

PhD	North-West University, Psychology	2003
MA	North-West University, Counselling Psychology (cum laude)	1989
BA (Hons)	North-West University, Psychology (cum laude)	1986
BA	North-West University (cum laude) Majors: Psychology, International Relations, Communication Studies	1985
Short course (NQF level 9) Research Ethics: Conducting Research Responsibly University of the Witwatersrand, Steve Biko Centre for Bioethics		2017

EMPLOYMENT HISTORY

University of Pretoria, Pretoria Professor and Head of Department, Psychology	April 2018 - present
University of Johannesburg, Johannesburg, Associate Professor, Psychology	October 2016 - March 2018
University of Johannesburg, Johannesburg, Associate Professor and Head of Department, Psychology	December 2012 - September 2016
University of Johannesburg, Johannesburg, Senior Lecturer, Psychology	September 2007 - November 2012

University of Johannesburg, Johannesburg,
Lecturer, Psychology

January 2005 - August 2007

Private Practice, Pretoria; Middelburg
Counselling Psychologist

October 1989 - December 2004

TEACHING AND RESEARCH INTERESTS

- Positive Psychology
- Psychological well-being across the lifespan and in various contexts
- Psychological strengths, in particular, hope and gratitude
- Positive psychology interventions
- Hypnosis for mental health promotion
- Professional training of psychologists

TEACHING EXPERIENCE

Undergraduate teaching

- Introduction to Psychology (First-year level)
- Positive Psychology (Second-year level; Developed curriculum)
- Health Psychology (First-year level)
- Child and family psychology (Third-year level)

Honours level

- Medical and neuropsychology
- Therapeutic psychology

MA (Clinical and Counselling Psychology)

- Client-centred psychotherapy
- Cognitive-behavioural therapy
- Applied Positive Psychology
- Integrative Psychotherapy
- Child and adolescent psychotherapy and psychopathology
- Psychological assessment

MA (Applied Positive Psychology)

- Positive Psychology interventions

Current research collaboration

The International Hope Barometer Programme (Principal investigator: Dr A. Krafft, University of St Gallen, Switzerland. Participating countries include Germany, France, Malta, Czech Republic, India, Israel, Spain, Portugal, Italy, Australia and Brazil)

- Collecting, analysing and reporting on South African data on hope and other positive characteristics among adults.
- Collaborating on manuscripts.

Student Well-being Project at the University of Pretoria (Principal Investigator: Prof I. Eloff)

- This project aims to identify factors contributing to student well-being as well as to implement and evaluate interventions to enhance student well-being.
- Responsible for data collection, data analysis and collaborating on manuscripts.
