### WORK EXPERIENCE

#### Project Officer

*Hellenic Foundation for Research and Innovation* [ May 2023 – Current ]

Address: 185 Syggrou Ave. & Sardeon St. 2, Nea Smyrni, Athens, 17121 Athens (Greece)

Name of unit or department: Research Projects Department - Business or sector: Professional, scientific and technical activities

#### Duties Assigned:

Monitoring of projects funded in the framework of the Resilience and Recovery Fund (Greece 2.0) under the following topics:

- Circular Economy;
- Waste Management;
- Biodiversity;
- Climate Change Adaptation, and Mitigation;
- Health;
- Social Sciences.

Website:<https://www.elidek.gr/en/homepage/>

#### Project manager

*Hellenic Society for the Protection of Nature* [ Sep 2019 – Aug 2023 ]

Address: Nikis 20, Athens, 105 57 Athens (Greece)

Name of unit or department: European Projects - Business or sector: Professional, scientific and technical activities

WAYSTUP! HORIZON2020 with GA Number:818308 and title: "Value chains for the disruptive transformation of urban biowaste into biobased products in the city context".

#### Duties assigned:

- Project management;
- Coordination of the project's actions and sub-actions;
- Elaboration of the project's deliverables for the HSPN;
- Responsible for the scientific part of the project for the HSPN;
- Development of the WaysTUP! bioeconomy educational program;

LIFE NATURA THEMIS (LIFE14/GIE/GR/000026) - HSPN Project Coordinator

#### Duties assigned:

- Overall project coordination for the HSPN
- M&E of the implementation of the HSPN project actions
- Implementation of behavioural change activities for food waste prevention.

Website:<https://www.eepf.gr/en/hspn>

### **Proposal Evaluator**

**Climate-KIC** [ Feb 2023 – Current ]

**Address:** Climate-KIC Holding B.V. Belgium Branch 7 Rue Guimard Brussels Belgium, 1040 Brussels (Belgium)

- Independent Expert of Climate-KIC
- Framework Contract for the Supply of Service Agreement for Independent Climate Experts

Web-Site:<https://www.climate-kic.org/>

### **Proposal Evaluator**

**CINEA / European Climate, Infrastructure and Environment Executive Agency INEA/H/02** [ Feb 2021 – Mar 2021 ]

**City:** Brussels

**Country:** Belgium

**Evaluation - Call:** H2020-LC-GD-2020-1 - **Topic:** LC-GD-5-1-2020 - **Evaluators/Rapporteurs/QCs**

- Remote individual evaluation start: 08/02/21 end: 28/02/21
- Remote consensus evaluation start: 01/03/21 end: 12/03/21

### **Project manager**

**Ministry of Environment and Energy** [ Feb 2020 – Dec 2022 ]

**Address:** 147 28 Oktovriou Street (Patision Street), 112 51 Athens (Greece)

**Name of unit or department:** Directorate of Climate Change & Air Quality, Department of Climate Change - **Business or sector:** Public administration and defence; compulsory social security

LIFE-IP AdaptInGR: LIFE IP project with code: "LIFE11 ENV/GR/000949" and title: «Boosting the implementation of adaptation policy across Greece»

#### Duties assigned:

- Overall project management;
- Elaboration of technical reports on adaptation in different sectors of the economy (Tourism, Health, etc.);
- Outreach of the project pilot regions and municipalities;
- Contribution to the development of the LIFE-IP AdaptInGR educational program.

Website:<https://ypen.gov.gr/>

### **Project manager**

**Green Fund** [ Jun 2016 – Sep 2020 ]

**Address:** Vila Kazouli, Kifisias Avenue 241, Kifisia (Greece), 14561 Athens (Greece)

**Website:** <http://www.prasinotameio.gr>

LIFE RE-WEEE Project (Project Website): LIFE+ project with code: "LIFE14/ENV/GR/000858" and title: "Development and demonstration of Waste Electrical and Electronic Equipment (WEEE) prevention and reuse paradigms".

#### Duties assigned:

- Project management of the LIFE RE-WEEE project for the Green Fund;
- Coordination of the project's actions and sub-actions;
- Elaboration of the project's deliverables on behalf of the Green Fund;
- Member of the project's CO2 calculation committee;
- Evaluation of proposals submitted from Public Bodies and/or NGOs to the Green Fund;
- Member of the project's quality control committee;

-Green Fund grants support.

03/2018-04/2018

Environmental Consultant

- Consulting services for the preparation of the proposal of the Integrated LIFE project for Life Climate Action in the framework of the LIFE project entitled: 'Establishment and operation of the Greek Life Task Force for the period 2014-2017'.

The proposal entitled: LIFE AdaptInGR is under implementation since it succeeded.

### **Environmental Consultant of the Scientific and Administrative Support Office of the Collective Governmental Bodies**

**General Secretariat of the Government** [Jun 2018 – Oct 2019 ]

**Address:** Vasilissis Sofias 2, Greek Parliament, 10021 Athens (Greece)

#### Duties assigned:

- Environmental Consultant of the Scientific and Administrative Support Office;
- Greek Vice Presidency consultant for environmental issues; Waste Management and treatment, Sustainable Development, SDGs, Circular Economy, Climate Change and Biodiversity Issues;
- Coordinator of the Green Public Procurement Action Plan Committee;
- Part of the team responsible for the implementation and monitoring of the Greek National Growth Strategy;
- Part of the team responsible for the monitoring and implementation of the SDGs at the national level;
- Cascading national grants.

Website:<https://gslegal.gov.gr/>

### **Project manager**

**National Technical University of Athens** [Jan 2010 – Sep 2016 ]

**Address:** National Technical University Iroon Polytechniou 9, Zografou, Athens, Greece, 157 72 Athens (Greece)

**Name of unit or department:** School of Chemical Engineering

**a.** Waste2bio Project: LIFE+ project with code: "LIFE11 ENV/GR/000949" and title: "Development and demonstration of an innovative method of converting waste into bioethanol".

#### Duties assigned:

- Overall project management;
- Responsible for the development and implementation of an innovative waste management and treatment system;
- Monitoring of the project's progress;
- Project's quality control;
- Elaboration of technical reports (LCA analysis, Economic feasibility study, the design of bioconversion facility);
- Full operation of the developed bioconversion facility;
- Responsible for the project's environmental education activities.

**b.** ISWM TINOS: LIFE project with code: LIFE10 ENV/GR/000610 and title: "Development and implementation of a demonstration system on integrated solid waste management for Tinos in line with the waste framework directive".

#### Duties assigned:

- Physical and chemical analyses of waste material;
- Organization of the "Tinos 2015, 3rd INTERNATIONAL CONFERENCE on Sustainable Solid Waste Management which was held in Tinos island, Greece.

**c.** SOL-BRINE Project (Best LIFE Environment Project 25 Years): LIFE project with code: "LIFE09 ENV/GR/000299" and title: 'Development of an advanced innovative energy autonomous system for the treatment of brine from seawater desalination plants '.

Duties assigned:

- Collection of data and operation of the SOL-BRINE desalination system.

**d.** CARBONTOUR Project: LIFE project with code: "LIFE09 ENV/GR/000297" and title: "Strategic planning towards carbon neutrality in the tourism accommodation sector".

Duties assigned:

-Gathering of information from hotels, design, and operation of the CARBONTOUR tool;  
-Organization of the International Conference "ECOTOURISM CONFERENCE 2012 Athens".

**e.** CYPADAPT Project: LIFE project with code: LIFE10ENV/CY/000723 and title: "Development of a national strategy for adaptation to climate change adverse impacts in Cyprus"

Duties assigned:

-Overall Project management;  
-Elaboration of technical reports.

**f.** DRYWASTE Project: LIFE project with code: LIFE 08 ENV/GR/000566 and title: "Development and demonstration of an innovative household dryer for the treatment of organic waste".

Duties assigned:

-Overall Project management;  
-Elaboration of technical reports;  
-Design of an innovative household waste dryer;  
-Pilot-scale operation of the dryer (Responsible for the demonstration action);  
-Elaboration of the LCA analysis and economic viability of the household waste drying management scheme;  
-Organization of the Athens 2012 "International Conference on Sustainable Solid Waste Management" which was held on 28th-29th June 2012 in Athens.

**g.** Athens Biowaste: LIFE project code: "LIFE10 ENV/GR/000605" and title: "Integrated management of bio-waste in Greece: The case study of Athens".

Duties assigned:

-Characterization of the produced compost from the MBT plant in Ano Liosia;  
-Organization of the ATHENS 2014 2nd International Conference on Sustainable Solid Waste Management.

## **Education program director**

***Mouseio peiramatwn*** [ Jan 2010 – Jun 2015 ]

**Address:** ivrissariou 6, Kaisariani (Athens) (Greece), 16121 Athens (Greece)

-Responsible for the elaboration and implementation of interactive-experiential lessons through experiments, specially designed for children;

-Environmental education: recycling (waste management and treatment), climate change, physics, chemistry, biology, robotics, communication, etc. through experiential and interactive learning.

## EDUCATION AND TRAINING

---

### **Bachelor in Physics**

*University of Ioannina* [ 2000 – 2005 ]

Address: University Campus University of Ioannina P.O. Box: 1186 , 451 10 Ioannina (Greece)

Website: <https://www.uoi.gr/en/>

Field(s) of study: Natural sciences, mathematics and statistics: *Environmental sciences*

### **MSc in Environmental Physics**

*National and Kapodistrian University of Athens* [ 2006 – 2008 ]

Address: 40 Stadiou str., Athens, 102 52 Athens (Greece)

Website: <https://en.uoa.gr/>

Field(s) of study: Natural sciences, mathematics and statistics: *Environmental sciences* | Waste Management and treatment; Environmental Physics; -Building Physics & Energy Efficiency; Climate Change; Meteorology; Environmental Pollution.

### **PhD in Chemical Engineering**

*National Technical University of Athens* [ 2010 – 2015 ]

Address: Patission Complex 42, Patission str, Athens, 10682 Athens (Greece)

Website: <https://www.ntua.gr/en/>

## LANGUAGE SKILLS

---

Mother tongue(s): **Greek**

**Other language(s):**

**English**

**LISTENING C2 READING C2 WRITING C2**

**SPOKEN PRODUCTION C2 SPOKEN INTERACTION C2**

*Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user*

## DIGITAL SKILLS

---

Microsoft Office / Microsoft Word / Microsoft Excel / Power Point / Microsoft Powerpoint / Outlook / Skype / Social Media / Zoom / Good listener and communicator / Team-work oriented / Motivated / Decision-making / LinkedIn / Written and Verbal skills / Organizational and planning skills

## **ORGANISATIONAL SKILLS**

---

### **Coordination and Organization of International Events/Conferences**

-Excellent coordination and organizational skills gained through my experience as responsible for various dissemination and communication actions in EU funded projects;

-Organization of International Conferences on waste management and treatment, biomass utilization, biofuels production, industrial symbiosis, circular economy, tourism, etc;

**1.** Organization of the Athens 2012 "International Conference on Sustainable Solid Waste Management" which was held on 28th-29th June 2012 in Athens;

**2.** Organization of the "2nd International Conference on Sustainable Solid Waste Management" which was held on 12-14 June 2014 in Athens;

3. Organization of the "Symbiosis International Conference 2014" which was held on 19-21 June 2014 in Athens;
4. Organization of the "Tinos 2015, 3rd INTERNATIONAL CONFERENCE on Sustainable Solid Waste Management, Tinos island, Greece;
5. Organization of the "Cyprus 2016, 4th International Conference on Sustainable Solid Waste Management" which was held in Cyprus on 23- 25 June 2016;
6. Organization of the Athens 2017 "International Conference on Sustainable Solid Waste Management" which was held on 21st-24th June 2017 in Athens.

### **Managerial-Reporting**

- Excellent organizational skills gained as responsible for the implementation of EU-funded projects. The main duties included the organization of the project team, the evaluation of the deliverable reports produced, and the organization of the implementation of all project actions;
- Strong reporting skills gained during the implementation of EU-funded projects. It should be stressed that the LIFE financial instrument monitoring follows professional standards thus, and strict rules that a beneficiary should follow while reporting during the project implementation;
- Organization and elaboration of project proposals in various European financial instruments (LIFE, Horizon 2020, Med Programme, etc.). The following proposals have received funding in a period of 6 years:
  1. Cypadapt 'Development of a national strategy for adaptation to climate change adverse impacts in Cyprus', LIFE10ENV/CY/000723.
  2. Waste2bio 'Development and demonstration of an innovative method of converting waste into bioethanol', LIFE11 ENV/GR/000949.3.
  3. LIFE Foodprint 'Development of an integrated strategy for reducing the carbon footprint in the food industry sector', LIFE13 ENV/GR/000958.
  4. LIFE-AdaptInGR 'Boosting the implementation of adaptation policy across Greece', LIFE17 IPC GR 000006.

### **REFEREE/REVIEWER**

---

#### **International Journals**

[ 2014 – Current ]

- Waste Management;
- Journal of cleaner production;
- Journal of Industrial & Engineering Chemistry;
- Journal of Environmental Management;
- Folia Microbiologica;
- Waste and Biomass Valorization;

- Desalination and Water Treatment;
- International Letters of Natural Sciences.

## **NETWORKS AND MEMBERSHIPS**

---

### **NGOs**

- Member of the Hellenic Society for the Protection of Nature;
- Member of the HEL.P.S (Hellenic Phycological Society).
